Production Manager – Stockfeed

- Great career opportunity for experienced miller
- Highly respected nation-wide food group
- Lifestyle Plus – Great Regional Location

THE COMPANY

Our client is a household name in the Australian food industry. This long established national business is a leader in feed milling and livestock production. They require an experienced stockfeed production manager for their expanding production facility in Griffith.

THE ROLE

Reporting to the Site Manager this position will be responsible for day to day running of feed production on the site.

RESPONSIBILITIES

This position will be responsible for:-

- Day to day feed production
- Production staffing and production planning
- Milling personnel leadership and supervision
- Compliance with WHS, Quality and Environmental Systems.
- Meeting and reporting on Production KPI's
- Training and mentoring production personnel

REQUIREMENTS

- Demonstrated experience in stock feed production
- Proven supervisory skills
- Problem solving skills
- A knowledge of quality, WHS and environmental systems
- A team orientation
- Good communication skills
- Intermediate computer skills

REMUNERATION

An attractive salary package commensurate with skills and experience will be negotiated with the successful applicant

TO APPLY
